In the Gospel today, at the wedding feast in Cana, Jesus reveals himself to his disciples and they began to believe in him. Everyday, God also gives us signs of his love and so we also can respond in faith and trust.

As you place your gift in the Society of St. Vincent de Paul Poor Box, know that you are a sign of God's love to those who are suffering and you give them reason to believe and to trust.

The Legion of Mary meets on Monday mornings at 9:00 AM on the garden level. All are invited to attend.

Pastor's Rundown:

On January 2nd, I was talking to a guy that I run with and he told me how much he hated Christmas because it threw off his schedule! That idea blew my mind, that a person would not like to celebrate the birth of Christ because the stores were closed and it messed up his exercise plan! He was really glad that things were back to ordinary after the holidays so that he could go to work and do what he normally does. Well, here we are as a Church, and it may seem strange but I kinda see how my running buddy might feel about being glad to be back in ordinary time! As a Church, we celebrate one aspect of Jesus life, his incarnation, during the Christmas season. That is great but sort of frustrating because sometimes during the season we want to reflect on all the other unbelievable things that Jesus did and continues to do! So now that we are back to Ordinary time on the Church calendar, we can reflect on all the different miracles, teachings, and parables that Christ lived out. We can also celebrate how Christ is here in all the different sacraments and activities in our Church today! So you can see that although I was initially shocked by my friends response to Christmas, it can be seen that we have a chance during the Ordinary time to reflect and celebrate all these different parts of Christ's life. So for the many of us that feel the opposite, that we wish it was back to the holiday season, we can be happy that the Ordinary time is here and the many awesome messages that Christ gave to us can be proclaimed! It is obvious that Ordinary time here at Holy Family is going to hold some great stuff coming up. You can see in the bulletin that we will be having such great stuff as the Valentine's Day dinner, Open House at the Rectory, Altar server pizza gathering not to mention all the regular meetings and activities of our parish! So you can see that Ordinary time is really something to get psyched about...Happy Ordinary time!! God bless you all!
