In the Gospel today, Jesus shows us that we are called to place gospel values before any other values and to be willing to put our lives on the line for them. Taking care of God's poor is indeed living gospel values.

In the month of January, through your gifts, the Society of St. Vincent de Paul was able to assist several families providing food, and help with utility and rent bills, etc.

Thank You!

Weekly Reflections:

In 1 Corinthians 12:4-7, Paul lists the attributes of Love. It is a good guide for an examination of conscience. Read it and consider how well your life reflects these signs of Love. Perhaps you should write them down and look at the list every day to remind yourself of what is truly important and what you should be striving to become.

Before you were born I dedicated you. -Jeremiah 1:5

Pastor's Rundown:

My office at Catholic Charities often reflects a "sitcom," because there are so many different people that come in and out of there with different concerns or reporting crazy things that have happened. Stuff like mix ups in our annual report or funny things the children say from our shelter. However, one of the things that came to my attention today when I received a call from our national office at Catholic Charities USA was not at all funny. It seems that the Brookings Institute has determined that Knoxville has the highest per capita rate of poverty in the United States! This is unbelievable that here in our own area we are faced with such a crisis. This really calls to mind how much we need services like Catholic Charities and St. Vincent De Paul and CROSS. This week maybe we can spend some extra time really praying for organizations that serve the poor in our area!

On another note, while so many people struggle with housing and other issues connected to poverty, I have been very fortunate to be very wealthy with the gifts of so many who have helped make the rectory at Holy Family a very comfortable place to hang my hat! So the Fellowship Committee really wants to invite all of you to come over and hang out in the rectory after mass so you can see the fruit of the work that has been done there.

THANK YOU to all those who have helped pull this together!

God bless you Fr. R
