In the Gospel today we hear the Beatitudes and we find the blessing of Jesus standing with those who are poor, hungry and weeping.

By your gift to the Society of St. Vincent de Paul you indeed put your faith into action as you stand with the poor, hungry and weeping.

Weekly Reflections:

There are those who claim that true believers prosper and have no troubles in this life. Look at the life of Jesus. He had lots of trouble! The depth of your faith is not measured by your prosperity but how you handle the ups and downs of life. If you try to what is good and right and rely on God's grace you will have a peace and steadiness within you no matter what is happening around you. When things happen, you will have gratitude for what is good and trust that you will be given the strength to endure the bad and find the blessing hidden in them. God is always at your side blessing you and sustaining you.

Blessed is the man Who trusts in the Lord, Whose hope is the Lord.

Pastor's Rundown:

This is a really depressing time of the year in the seminary!" This is a constant statement made by the guys I was friends with in the seminary because we had all sworn off dating forever and it was Valentines Day. All of our other friends were getting love notes, going out on dates and stuff like that! We would all complain about how we were not loved! But really if you think about the real meaning of love, it is not just hearts and cupids. It is all about freely giving ourselves to others unconditionally. We do not have to find love only out on a date but we can find it in our Church building on a Sunday morning when the community comes together to sing and praise God for his great love for us. We see love in our family life center when we can sit and catch up over a cup of coffee or discuss issues of importance to our faith. Love can be discovered when our different ministries carry out their mission of visiting the sick, praying for those that need it and teaching others. So really Valentines day does not have to be such a depressing day anymore! It is a day to recognize love in all its forms. Here at Holy Family, we see God's love for us and our love for each other all the time, lets take just a few minutes this week to celebrate the love in our lives with each other! It is neat to see how many people love our parish here and pray and work hard to make it better all the time! On Valentine's Day this year I am personally thankful to you all!

God bless,
Fr. Ragan
